two more like time
 gotten your wones y^e southe of way if the favours be up
 take aquantitie of homing wions about about your pot -
 bag full & soe lay them along in a place arotting but under
 them you must laye a row of farnes and then
 wiones and then farnes soe one row after another
 and then they must lay ten dayes arotting and
 then wash away the filt, and soe take it and boyle
 it in ayrystrow and soe wash it very well about
 two or three times.

may this be the record of John Inmanwell the sonne of
 Pleasant Hall the eldest sonne of my name & with my self
 1612
